The Act of Parliament directs, that every Marriage Register-Book shall be marked at the Top of each Page 1, 2, 3, and so on; that every Page thereof shall be ruled with Lines at equal Distances; and that in order to prevent any Mistakes that might happen in entering the Marriages in the Register, the following Form is prescribed in the Act.

In order to render this Register as plain as possible, we have in the next Page given four Examples, by which the Blanks on the other Pages may be filled up as the Case requires. The writing Paper at the End is designed for an Index of the Names of the Parties, and Numbers of the several Registers.

N. B. When both, or either of the Parties live in an extra-parochial Place, the Marriage must be solemnized in one of the Parish-Churches adjoining; and that extra-parochial Place must be specified in the Marriage Register-Book of such Parish.
