The wood carving over the altar was altered removed; a new curtain & brass rod fixed. Brass rods & upright rod for carrying curtains & enclose the Boys vestry, new curtains for the same, & also for the organ chamber. The expense of this was defrayed by private subscriptions collected by Mrs Young. Maidstone Rochester.

It is to be hoped the debt on the American organ will soon be wiped off. The works for the Church will then be: linoleum for the Vestry & choir seats. A second stove by the organ a better lectern. And a cover for the font. &c. May God prosper & bless the work of the Church in this district is the prayer of your Servant in Christ, Arthur J.W. Thorndike.
